your geo

GeoPDF brings your data to everyone

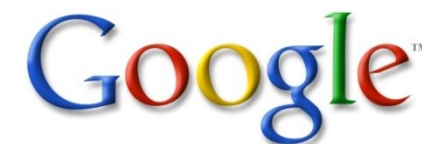

Introductions

- Alistair Macleanan
 - Quarry One Eleven
 - EMEA representatives for TerraGo Tech
 - West London
 - alistair@quarry-one-eleven.com
- EMEA-wide dealer network

TerraGo Technologies

- Provider of geospatial collaboration software solutions
- 700+ organisations : 500K+ users
- Inventors of geo-enabled PDFs (GeoPDF)

What is GeoPDF?

- A geo-referenced Adobe PDF file
- Publish from ESRI, Intergraph, ERDAS, Trimble, BAE Systems and Raster formats
- View in the free Adobe Reader

Why GeoPDF?

- The link between mapping experts (you) and non-experts (everyone else)
- Remove the fear of using GIS / mapping
- Get feedback from thousands of users not just a couple
